

CAYSA Guest Card Process

Fill out the CAYSA Guest Player Registration Form

Send that along with proof of age (copy of birth certificate, passport, driver license, or other government issued document) to CAYSA by email (admin@caysa.org) or fax (512-302-0686) along with a recent headshot photo of the player. We will contact you when the card is ready. The Guest Player card fee of \$35 is due by cash or check when the card is picked up at the CAYSA office in Manor, TX. If paying by cash, exact change is appreciated, as we keep very little money on the premises.

Headshot should be in png or jpg format and the player's head should take up most of the photo, like the image below. The photo will print no larger than 2 inches on the longest side, so a large image is not needed, either in file size or pixel count.
